

Product Information

Reference No.: DMWH-ES202506

Material: PET

Voltage: 220V-240V

Consumption: 2,5W/dm²

Operating Temperature: 10°C-20°C

Certifications: CCE, FCC, IP54, RoHS

Dimensions: 45cm x 90cm

Power: 20W

Luminous Flux: 1908lm

Product Description

The frameless arched LED mirror combines contemporary design with the functionality required for daily use. With soft lines and an elegant shape, it is ideal for modern bathrooms that value both aesthetics and comfort. Manufactured in high-resistance technical PET, it features diffused LED lighting that provides soft, uniform, glare-free illumination perfect for daily routines.

*CE marking indicates that the product complies with European Union safety, health, and environmental standards, allowing it to be legally marketed within the European Economic Area.
